MEMORANDUM FOR:

[REDACTED]

FROM :

Dear Curt:

I have recently received a fine, comprehensive report on "Recent Trends in Soviet Foreign Trade," (CIA/RR ER 60-35). This is a useful study and reflects a great deal of research effort. It's unfortunate that complete Soviet Foreign Trade figures for 1959 were not released earlier to permit their inclusion in this report.

Our copy (No. 31) has some pages missing but I assure this is an isolated printing error. Pages 15 through 22 inclusive are omitted whereas the copy contains a duplicate set of pages 23 through 30 inclusive.

At your convenience, I would appreciate another copy of this report.

Thanks.
